Dear Priscilla:

Congratulations! It is with sincere pleasure and appreciation that I enclose the Abel Blattman Award plate earned by members of your local for their outstanding participation in the 2009 VOTE/COPE campaign. This plate should be affixed to the plaque that was previously sent to your local.

We can all be proud of the success of the 2009 VOTE/COPE drive -- the best ever. NYSUT members contributed over \$7.8 million during 2009. This magnificent achievement was made possible by locals such as yours that understand the need for our involvement in political action.

Once again, your efforts and those of your members who supported VOTE/COPE have made us the leading advocate for public education in New York State. Please accept this award with my thanks and my sincerest congratulations.

In solidarity,

Richard C. Iannuzzi  
Chairman
